Product Last Time Buy, End of Service and End of Life Notice

To our Valued Customers and Partners,

As part of our continued focus on providing our customers and partners with products of the highest quality, Spire Payments (Spire), hereby inform you of their intention to bring the set of products described below (and related peripherals) to an End of Service (EOS) and to an End of Life (EOL) according to the schedule described below.

In order to ensure a smooth transition, Spire will enable their Customers and Partners to undertake a Last Time Buy Products (LTBP) of the affected products and a Last Time Buy Spare Parts/ Accessories (LTBSA) of related spare parts and accessories according to the schedule defined in the table below.

Please note the following Key Terms and Dates:

Last Time Buy Product (LTBP) Date: Customers and partners will have the opportunity to submit a final order or set of orders for the affected product sets up to the date set forth below (LTBP Date) for all remaining inventory. Please note that the orders will be filled on a first come / first served basis and the orders will only be accepted by Spire up to the quantity of product sets then available in their inventory at the time the order is ready to be shipped. Beyond the LTBP Date, Spire will no longer accept any orders for the affected product sets and any related peripherals. The delivery date for all LTBP orders is expected to be on or around December 31st 2014.

Last Time Buy Spare Parts / Accessories (LTBSA) Date: Customers and partners will have the opportunity to submit a final order or set of orders for spare parts and accessories related to the affected product sets up to the date set forth below (LTBSA Date) for all remaining inventory. Please note that the orders will be filled on a first come / first served basis and the orders will only be accepted by Spire up to the quantity of product sets then available in their inventory at the time the order is ready to be shipped. Beyond the LTBSA Date, Spire will no longer accept any orders for the affected product sets and any related peripherals. The delivery date for all LTBSA orders is expected to be on or around March 1st 2015.

End of Service (EOS) / End of Life (EOL) Date: With respect to a particular product set, customers and partners may request developments, services, maintenance, updates, repairs and the like up until the EOS date set forth in the table below, provided, if it is for a repair, that the necessary components are available in inventory at the time a product is presented for repair. Beyond the EOS Date, Spire will no longer provide services of any nature for the affected product sets. Our EOS date is also the formal EOL Date, the date on which Spire will no longer accept any order for the affected product sets and any related peripherals and will no longer provide services of any nature for the affected product sets.
